Please Please Please!!!! Stay out of our lives. Especially the ones we pay extra for to prevent you from intruding into. This is a service we pay extra for. UNDERSTAND This!!! much. We want to here every God Damn Cuss word in existance. I want to see and here tits and ass and I don't want The government getting in my way. Im a former Marine I Love This USA. In fact I fought for The rights we hold so dear to our hearts. I respect others to enjoy themselves as they wish and I want the same for me. In conclusion. Cable or SAT Radio is something you need not concern yourselfs with. This is ours to broadcast what we see worthy... AND thats all there is to it. We will take our FREEDOM of speech back.. Th anyone whom is not on board
